## P R O C E E D I N G S

(b) (6), (b) (7)(C) So it is February 26, 2019. Special Agent (b) (6), (b) (7)(C) I showed you my ID. Here with (b) (6), (b) (7)(C) (b) (6), (b) (7)(C) My colleague, (b) (6), (b) (7)(C) . Greg Goldstein and Joe Teig of Holland & Hart. And we're here to ask questions obviously of the explosion that happened in November of 2018.

And so, (b) (6), (b) (7)(C) , we've been told that there are folks and employees who want to talk to us. And so this is your time to share information with us. We'll ask you a few questions, but anything that jogs your memory please feel free to share and tell your story.

(b) (6), (b) (7)(C) Okay.

(b) (6), (b) (7)(C) So I'll start out. (b) (6), (b) (7)(C) , tell us what's your title, and your roles and responsibilities at (b) (6), (b) (7)(C) .

(b) (6), (b) (7)(C) I'm (b) (6), (b) (7)(C) (b) (6), (b) (7)(C) believe I had. But at the same time, we're kind of (b) (6), (b) (7)(C) (b) (6), (b) (7)(C)

(b) (6), (b) (7)(C) When did you start with (b) (6), (b) (7)(C) (b) (6), (b) (7)(C) (b) (6), (b) (7)(C) I can't remember what year.

(b) (6), (b) (7)(C) What was your (b) (6), (b) (7)(C) with them?

1 What did you do?

2 (b) (6), (b) (7)(C) I started at the (b) (6), (b) (7)(C)

3 (b) (6), (b) (7)(C) .

4 (b) (6), (b) (7)(C) And did you do that for a while?

5 (b) (6), (b) (7)(C) Yeah. I've been -- yeah, I can't  
6 remember how many years I was there, (b) (6), (b) (7)(C)

7 (b) (6), (b) (7)(C) whatever.

8 (b) (6), (b) (7)(C) Okay. And did you go from that job

9 (b) (6), (b) (7)(C) is there something in between?

10 (b) (6), (b) (7)(C) Yeah, that was I went from there  
11 to there. But prior, I mean I -- they sent a couple of us

12 (b) (6), (b) (7)(C)

13 (b) (6), (b) (7)(C)

14 (b) (6), (b) (7)(C)

15 (b) (6), (b) (7)(C) At other (b) (6), (b) (7)(C) or other --

16 (b) (6), (b) (7)(C) (b) (6), (b) (7)(C) . To

17 (b) (6), (b) (7)(C)

18 (b) (6), (b) (7)(C) Did you -- (b) (6), (b) (7)(C)

19 (b) (6), (b) (7)(C)

20 (b) (6), (b) (7)(C) (b) (6), (b) (7)(C)

21 (b) (6), (b) (7)(C) Oh, really. (b) (6), (b) (7)(C)

22 (b) (6), (b) (7)(C) (b) (6), (b) (7)(C)

23 (b) (6), (b) (7)(C)

24 (b) (6), (b) (7)(C)

25 (b) (6), (b) (7)(C) Oh, yeah. (b) (6), (b) (7)(C)

1 (b) (6), (b) (7)(C) Yeah. But it was fun.

2 (b) (6), (b) (7)(C) (b) (6), (b) (7)(C)

3 (b) (6), (b) (7)(C) Yes.

4 (b) (6), (b) (7)(C) Yeah, of course. (b) (6), (b) (7)(C)

5 (b) (6), (b) (7)(C) --

6 (b) (6), (b) (7)(C) No. (b) (6), (b) (7)(C)

7 (b) (6), (b) (7)(C)

8 (b) (6), (b) (7)(C) Oh, okay.

9 (b) (6), (b) (7)(C) And so to (b) (6), (b) (7)(C)

10 (b) (6), (b) (7)(C)

11 (b) (6), (b) (7)(C)

12 (b) (6), (b) (7)(C) Oh, yeah, well aware. So before  
13 that, high school?

14 (b) (6), (b) (7)(C) Yeah. (b) (6), (b) (7)(C)

15 (b) (6), (b) (7)(C)

16 (b) (6), (b) (7)(C) No kidding.

17 (b) (6), (b) (7)(C) (b) (6), (b) (7)(C) s

18 (b) (6), (b) (7)(C)

19 (b) (6), (b) (7)(C)

20 (b) (6), (b) (7)(C) Okay. (b) (6), (b) (7)(C) ?

21 (b) (6), (b) (7)(C) No.

22 (b) (6), (b) (7)(C) (b) (6), (b) (7)(C)

23 (b) (6), (b) (7)(C)

24 (b) (6), (b) (7)(C) I am very -- (b) (6), (b) (7)(C) They  
25 do all that. (b) (6), (b) (7)(C)

1 (b) (6), (b) (7)(C)

2 (b) (6), (b) (7)(C) Oh, man, fight.

3 (b) (6), (b) (7)(C) Yeah. (b) (6), (b) (7)(C)

4 (b) (6), (b) (7)(C)

5 (b) (6), (b) (7)(C) Fair enough, fair enough. All right.

6 So (b) (6), (b) (7)(C) , what do you -- what do you do as

7 (b) (6), (b) (7)(C) What's your, you know, what does a typical  
8 day look like?

9 (b) (6), (b) (7)(C) Typical day, I go down there in  
10 the morning. We get our schedule, see what was kind of --  
11 what kind of waste was going to come to us. And then we'd  
12 have our tailgate meeting at the top, and then we'd have  
13 our own little tailgate meeting with my guys, which  
14 consisted at that time (b) (6), (b) (7)(C) ,

15 (b) (6), (b) (7)(C)

16 But, and we would just go from there, make a  
17 plan if there was over-the-road waste we were going to  
18 treat. If there wasn't, then we would just be doing  
19 batches. And kind of do that, and everybody just did  
20 whatever we needed to do to get the job done. Opening  
21 drums, running the loader, running the excavator. We did  
22 everything.

23 (b) (6), (b) (7)(C) You guys all shared that, those  
24 responsibilities?

25 (b) (6), (b) (7)(C) We didn't let everybody in the

1 excavator. Yes, we didn't let everybody in the excavator.  
2 The excavator was like top priority -- or not top  
3 priority, but you, you made it.

4 (b) (6), (b) (7)(C) Yeah. You can do some damage, if you  
5 don't know what you're doing.

6 (b) (6), (b) (7)(C) Yeah. You could shove some beds  
7 off the track or stuff like that. We don't want to repair  
8 tracks. So, no, not everybody got in that. So my main  
9 mixture was myself, (b) (6), (b) (7)(C)

10 (b) (6), (b) (7)(C) Okay. And mixers, what would you do  
11 to mix? What would be your -- you dump waste and --

12 (b) (6), (b) (7)(C) Dump the waste. And depending on  
13 what the lab batch called for, how it was called for, you  
14 know, it could be dump five drums, sample to the lab. And  
15 then either add in lime, ferrous, wake and mix them,  
16 whatever they told us to do.

17 (b) (6), (b) (7)(C) So you'd follow a recipe that was  
18 given to you --

19 (b) (6), (b) (7)(C) Yeah.

20 (b) (6), (b) (7)(C) -- by the lab?

21 (b) (6), (b) (7)(C) Yes.

22 (b) (6), (b) (7)(C) Okay. Who would usually give you  
23 that recipe?

24 (b) (6), (b) (7)(C) It was usually the lab (b) (6), (b) (7)(C)

25 (b) (6), (b) (7)(C) I recall.

1 (b) (6), (b) (7)(C) Okay. Well, let's shift. Just  
2 looking at the schematic, (b) (6), (b) (7)(C) , it's number --  
3 it's Letter A for the record.

4 (Exhibit A identified.)

5 (b) (6), (b) (7)(C) So you're the operations  
6 (b) (6), (b) (7)(C)  
7 in this group, right?

8 (b) (6), (b) (7)(C) Correct.

9 (b) (6), (b) (7)(C) Is this a geographic group based  
10 on you are (b) (6), (b) (7)(C) group?

11 (b) (6), (b) (7)(C) Yeah, (b) (6), (b) (7)(C)

12 (b) (6), (b) (7)(C)

13 (b) (6), (b) (7)(C) Okay. And so (b) (6), (b) (7)(C) I just was  
14 noticing that maybe you knew this, so, you know, this is I  
15 was trying to figure out why there are (b) (6), (b) (7)(C) over  
16 these. But this is (b) (6), (b) (7)(C) . And then what did  
17 you say this one was, (b) (6), (b) (7)(C)

18 (b) (6), (b) (7)(C) The pad, Pad 4.

19 (b) (6), (b) (7)(C) Can I put that on here?

20 (b) (6), (b) (7)(C) Oh, yeah.

21 (b) (6), (b) (7)(C) This is Pad 4. This is (b) (6), (b) (7)(C)  
22 This is (b) (6), (b) (7)(C) This is (b) (6), (b) (7)(C) So just for the record,  
23 because (b) (6), (b) (7)(C) was asking you questions about mixing. And  
24 were you answering those questions based on your (b) (6), (b) (7)(C)  
25 activities or were you asking those -- answering those

1 questions based on your (b) (6), (b) (7)(C)  
2 stuff?

3 (b) (6), (b) (7)(C) I was answering those questions  
4 on the normal day-to-day basis for (b) (6), (b) (7)(C) .

5 (b) (6), (b) (7)(C) Okay.

6 (b) (6), (b) (7)(C) Just for the record on that, the org  
7 chart reflected by Letter A in front of (b) (6), (b) (7)(C) and we've  
8 written in the words (b) (6), (b) (7)(C) --

9 (b) (6), (b) (7)(C) (b) (6), (b) (7)(C)

10 (b) (6), (b) (7)(C) (b) (6), (b) (7)(C) excuse me, (b) (6), (b) (7)(C) and Pad 4  
11 on areas of responsibility on the org chart. And, (b) (6), (b) (7)(C)  
12 just for the record is that accurate, the way we wrote  
13 those?

14 (b) (6), (b) (7)(C) Yes.

15 (b) (6), (b) (7)(C) And so anything under indoor would be  
16 the folks that work in the indoor stabilization building?

17 (b) (6), (b) (7)(C) Typically.

18 (b) (6), (b) (7)(C) Typically?

19 (b) (6), (b) (7)(C) Typically.

20 (b) (6), (b) (7)(C) And then the one in the middle would  
21 be the outdoor stabilization. And obviously you just  
22 explained that (b) (6), (b) (7)(C)

23 (b) (6), (b) (7)(C) . And then to the right of that is Pad 4,  
24 the folks who typically would work there.

25 (b) (6), (b) (7)(C) Correct.

1 (b) (6), (b) (7)(C) Okay, thank you. So let's go to --  
2 so we kind of talked about the general process. We'll  
3 shift to day of the accident, unfortunately. We want to  
4 recognize and not minimize. This is a very big deal and  
5 we appreciate you coming in to talk about this. And so  
6 what -- tell us about, well, I guess the week leading up  
7 to the day of the accident.

8 There's a lot of things going on, sampling of  
9 the magnesium fine powder waste that was involved with the  
10 explosion, and there was the lab. A lot of roles and  
11 responsibilities were taking part there. Did you have  
12 anything to do with the waste that led to the explosion  
13 before the day of?

14 (b) (6), (b) (7)(C) (b) (6), (b) (7)(C) --

15 (b) (6), (b) (7)(C)

16 (b) (6), (b) (7)(C) Okay. And so the day of the  
17 explosion, (b) (6), (b) (7)(C)

18 (b) (6), (b) (7)(C)

19 (b) (6), (b) (7)(C) Yes.

20 (b) (6), (b) (7)(C) And that would have been what,  
21 November 17th, the date of the explosion. So tell us, you  
22 know, (b) (6), (b) (7)(C)

23 (b) (6), (b) (7)(C) .

24 (b) (6), (b) (7)(C) Yeah, (b) (6), (b) (7)(C)

25 (b) (6), (b) (7)(C) (b) (6), (b) (7)(C)

1 (b) (6), (b) (7)(C)

2 (b) (6), (b) (7)(C)

3 (b) (6), (b) (7)(C)

4 (b) (6), (b) (7)(C)

5 (b) (6), (b) (7)(C)

6 (b) (6), (b) (7)(C)

7 (b) (6), (b) (7)(C)

8 (b) (6), (b) (7)(C)

9 (b) (6), (b) (7)(C)

10 (b) (6), (b) (7)(C)

11 (b) (6), (b) (7)(C)

12 (b) (6), (b) (7)(C) On the (b) (6), (b) (7)(C)

13 (b) (6), (b) (7)(C) (b) (6), (b) (7)(C) for (b) (6), (b) (7)(C)

14 (b) (6), (b) (7)(C) (b) (6), (b) (7)(C)

15 (b) (6), (b) (7)(C) (b) (6), (b) (7)(C)

16 (b) (6), (b) (7)(C)

17 (b) (6), (b) (7)(C)

18 (b) (6), (b) (7)(C)

19 (b) (6), (b) (7)(C)

20 (b) (6), (b) (7)(C)

21 (b) (6), (b) (7)(C)

22 (b) (6), (b) (7)(C)

23 (b) (6), (b) (7)(C)

24 (b) (6), (b) (7)(C)

25 (b) (6), (b) (7)(C)

1 But jokingly we did it on a daily basis to everybody.

2 Went down there, did our -- got with my group.

3 (b) (6), (b) (7)(C) (b) (6), (b) (7)(C)

4 (b) (6), (b) (7)(C) (b) (6), (b) (7)(C)

5 and (b) (6), (b) (7)(C) were dumping batches. And I'm not sure if you  
6 guys are familiar how old stab works. (b) (6), (b) (7)(C) on a track  
7 basis with big 50-yard bins. Okay. So (b) (6), (b) (7)(C) just a -- (b) (6), (b)  
8 look like a railroad track and (b) (6), (b) (7)(C) bins are 50-yard bins.  
9 And they just roll on down the line.

10 (b) (6), (b) (7)(C) got the north bay and the south bay. (b) (6), (b)

11 dumped in the north or the south bay. They were just  
12 dumping batches. And as they came up to me, they were  
13 either they needed lime, ferrous, or whatever. And I

14 (b) (6), (b) (7)(C) (b) (6), (b) (7)(C) was in the (b) (6), (b) (7)(C)

15 (b) (6), (b) (7)(C) And if they were directs, I believe the  
16 first two batches we did were deactivation batches, so we  
17 just deactivated them, clayed them up, hauled them up.

18 (b) (6), (b) (7)(C) was out (b) (6), (b) (7)(C) r -- or (b) (6), (b) (7)(C)

19 (b) (6), (b) (7)(C) also. I mean like I said everybody does  
20 everything.

21 (b) (6), (b) (7)(C) finished on the stab batch that (b) (6), (b) (7)(C)

22 stirred on it. They had just finished the stab batch.

23 (b) (6), (b) (7)(C) had pulled a sample to take to the lab before (b) (6), (b) (7)(C) could  
24 add anything else to see where the pH was. I set the hoe  
25 down, bucket on that. And I told (b) (6), (b) (7)(C) gave (b) (6), (b) (7)(C) a

1 signal let's go to break. (b) (6), (b) (7)(C) were finishing  
 2 up loading empty pallets and empty drums on the (b) (6), (b) (7)(C) (b) (6), (b)  
 3 and (b) (6), (b) (7)(C) drove up in the pickup. (b) (6), (b) (7)(C) took up the  
 4 sample to the lab.

5 They had called us that we were good to add one  
 6 more single drum, which was a B, an oxidizer before. And  
 7 (b) (6), (b) (7)(C) . (b) (6), (b) (7)(C) (b) (6), (b) (7)(C)  
 8 and (b) (6), (b) (7)(C) in the (b) (6), (b) (7)(C) (b) (6), (b) (7)(C) was behind me with the  
 9 (b) (6), (b) (7)(C) (b) (6), (b) (7)(C) was right by the (b) (6), (b) (7)(C) And I was  
 10 (b) (6), (b) (7)(C) And  
 11 (b) (6), (b) (7)(C)

12 (b) (6), (b) (7)(C)

13 (b) (6), (b) (7)(C)

14 (b) (6), (b) (7)(C)

15 (b) (6), (b) (7)(C)

16 (b) (6), (b) (7)(C)

17 heard (b) (6), (b) (7)(C) yell what happened, you  
 18 know, certain words, what happened.

19 And then I heard (b) (6), (b) (7)(C) I mean (b) (6), (b) (7)(C) voice let's  
 20 get out. We got out. And then (b) (6), (b) (7)(C)  
 21 (b) (6), (b) (7)(C) . (b) (6), (b) (7)(C) . So at  
 22 that point I pulled my head out of my ass and ran down  
 23 there, and got (b) (6), (b) (7)(C) and (b) (6), (b) (7)(C) out of the (b) (6), (b) (7)(C)  
 24 (b) (6), (b) (7)(C) And at that point in time, I hadn't even looked.  
 25 I just, you know, and then (b) (6), (b) (7)(C) started yelling (b) (6), (b) (7)(C)

1 (b) (6), (b) (7)(C)

2 And I turned and looked at the building, there  
3 was nothing left of the building. And that's when I let  
4 go of (b) (6), (b) (7)(C) I believe whose hand I had, and then (b) (6), (b) (7)(C) came  
5 around the corner. And that's when (b) (6), (b) (7)(C) said that (b) (6), (b) (7)(C) and  
6 (b) (6), (b) (7)(C) were still in there, and (b) (6), (b) (7)(C) turned and ran in to go  
7 look for them. And there -- we tried to get in the  
8 building and there was just no way.

9 (b) (6), (b) (7)(C) actually found (b) (6), (b) (7)(C) by the (b) (6), (b) (7)(C)

10 (b) (6), (b) (7)(C) And (b) (6), (b) (7)(C) (b) (6), (b) (7)(C) went around the  
11 backside, couldn't get in. (b) (6), (b) (7)(C)

12 (b) (6), (b) (7)(C)

13 (b) (6), (b) (7)(C) Is that your fallback?

14 (b) (6), (b) (7)(C) That was, yeah, that was upwind.

15 (b) (6), (b) (7)(C) . And (b) (6), (b) (7)(C) also

16 said we need to get out of here. So we, you know,  
17 obviously the flags or what was left, CSA-1 for our  
18 training told us to go that direction. (b) (6), (b) (7)(C) started going  
19 over there. (b) (6), (b) (7)(C)

20 (b) (6), (b) (7)(C) (b) (6), (b) (7)(C)

21 (b) (6), (b) (7)(C)

22 Told -- honestly, I can't remember who we told.

23 (b) (6), (b) (7)(C)

24 (b) (6), (b) (7)(C)

25 (b) (6), (b) (7)(C)

1 (b) (6), (b) (7)(C) I'd like to see (b) (6), (b) (7)(C) in a  
2 dark alley. But that's pretty much it.

3 (b) (6), (b) (7)(C) I certainly appreciate you going  
4 there and telling that story. It's not easy. And we  
5 don't minimize it. And thank you. I don't, you know,  
6 we're just -- we want to be sensitive, but at the same  
7 time ask a few more details.

8 (b) (6), (b) (7)(C) No, it's okay. Go ahead.

9 (b) (6), (b) (7)(C) It sounded like that you didn't have  
10 (b) (6), (b) (7)(C)

11 (b) (6), (b) (7)(C) And I just wanted  
12 to ask an open-ended question, did you have interaction  
13 with that waste before this thing, the incident -- the  
14 explosion happened? And if so, what was -- to what  
15 extent.

16 (b) (6), (b) (7)(C) (b) (6), (b) (7)(C)

17 (b) (6), (b) (7)(C) And who is (b) (6), (b) (7)(C) again?

18 (b) (6), (b) (7)(C) (b) (6), (b) (7)(C) is the (b) (6), (b) (7)(C) .

19 (b) (6), (b) (7)(C) (b) (6), (b) (7)(C) . I still call

20 (b) (6), (b) (7)(C) , even though that's not (b) (6), (b) (7)(C) .

21 That's what I've known (b) (6), (b) (7)(C) as forever.

22 (b) (6), (b) (7)(C) Are the skills and training that  
23 this group receives the same as the skills and the  
24 training that this group receives? I mean can these  
25 workers come over here and work from the indoor? Can

1 (b) (6), (b) (7)(C) folks come work in (b) (6), (b) (7)(C) and (b) (6), (b) (7)(C) go work on  
2 (b) (6), (b) (7)(C) stuff?

3 (b) (6), (b) (7)(C) Yeah, for the most part.

4 (b) (6), (b) (7)(C) I mean is there a different  
5 skillset or a different training set that comes with  
6 indoor staff?

7 (b) (6), (b) (7)(C) The only really difference  
8 between indoor, is indoor (b) (6), (b) (7)(C) can treat fine waste. So  
9 (b) (6), (b) (7)(C) in two pits. The training would be pretty much  
10 the same, except for if a terrible accident was to happen  
11 (b) (6), (b) (7)(C) in a pit versus a bin, type of training for --  
12 other than that (b) (6), (b) (7)(C) training are all the same. It's just  
13 how you would manage to get a person out if an accident  
14 happened.

15 (b) (6), (b) (7)(C) I see.

16 (b) (6), (b) (7)(C) Which we were trained for like if  
17 a person fell in a pit or a person fell in the bin, (b) (6), (b) (7)(C)  
18 bins are only 5 feet tall -- (b) (6), (b) (7)(C),  
19 so 6.

20 (b) (6), (b) (7)(C) Like confined space type  
21 training?

22 (b) (6), (b) (7)(C) Yeah. Yes, (b) (6), (b) (7)(C) are huge pits.  
23 You wouldn't need to tie off and all that to go retrieve a  
24 person. Where (b) (6), (b) (7)(C) you're probably going to be -- (b) (6), (b) (7)(C)  
25 could stick (b) (6), (b) (7)(C) hand out and get me out. (b) (6), (b) (7)(C)

1 (b) (6), (b) (7)(C)

2 (b) (6), (b) (7)(C) .

3 (b) (6), (b) (7)(C) Okay. Anything else you want us  
4 to know?

5 (b) (6), (b) (7)(C) No. I mean --

6 (b) (6), (b) (7)(C) We're trying to get at like, you  
7 know, essentially why the explosion happened.

8 (b) (6), (b) (7)(C) I am right behind you on that  
9 one. It's I would like to know that very, yeah, I mean I

10 (b) (6), (b) (7)(C) <sup>c)</sup> So it took a  
11 friend from me, so, yes, I want to know the answer also.

12 (b) (6), (b) (7)(C) I don't think we have any more  
13 questions now. Sometimes when you go relive a story and  
14 you listen to a lot of questions from folks like us in the  
15 room, memories will be jogged and you'll want to share  
16 something later on.

17 If that happens you can get a hold of these two  
18 gentlemen here and they can get a hold of us. And we can  
19 get back on the phone and you could share whatever you  
20 need to or whatever your memory has jogged.

21 But besides that I don't think we have any more  
22 questions today. We want to make sure you know that we  
23 recognize that this is a hard time to do this. And we  
24 appreciate you coming in and giving your time. Thank you.

25 (b) (6), (b) (7)(C) No problem. All I ask for the

1 next one is there's better places than in Boise, doing it  
2 in Boise.

3 (b) (6), (b) (7)(C) We agree.

4 (End of Interview)

5 CERTIFICATION

6 I, (b) (6), (b) (7)(C) court approved transcriber,  
7 certify that the foregoing is a correct transcript from  
8 the official electronic sound recording of the proceedings  
9 in the above-entitled matter.
